BUSINESS AGENDA

Public Comment

Erica Baylor, 1134 Hedgerow Lane, commented about the closure of Koons Pool. Ms.

Baylor's written statement is attached to the minutes.

Serena Merlo, 6531 Red Top Rd., read a letter written by Melissa Roslevge, President of the Piranhas swim team. Ms. Roslevge's written statement is attached to the minutes.

Mr. McCormack wanted to know if Ms. Baylor and Ms. Merlo asked the Supervisors for something. Ms. Baylor explained that they received communication from the Koons Pool executive board of directors indicating that the Township decided to close Koons Pool. When different people reached out to the Koons pool board asking if they could take a seat, they were told the board no longer existed.

Ms. Baylor said they want to know how to keep it going. Ms. Thompson deferred the question to Mr. Gotshall.

Mr. Gotshall explained that the pool has shown some concern regarding its financial capacity since the early 1990s, related to its physical degradation. Last year, representatives of Koons Pool came to the Township, as they have for the past few years, indicating that they are having financial difficulties related to a high water bill from an unidentified water breach somewhere in the facility. At that time, they came to the staff, indicating they wanted to permanently close the pool. He implored them to hold off on closing the pool permanently and let the Township work with the pool board to work through the issue, identify recommendations, and put together a plan to get the pool back on track and make it the continued success it once was. During the meeting, he got the pool board to close the pool for one year while the Township staff worked with the pool board to identify that plan and work through, hopefully, that long.

term reopening plan. The Township does not own the pool; it just owns the land and leases it for operation. The Township was in no way part of the decision to close the pool; in fact, the Township was the entity that got the pool board to decide on the permanent closure.

Mr. McCormack asked Mr. Gotshall what it would cost. Mr. Judd interjected by stating that it's a 30-year issue, and there's a lot of information and they will bring him up to speed on the issue, and ensure that the staff talk to the pool board as well.

Ms. Thompson asked Ms. Baylor if she intended to leave the letter for the Supervisors. Ms. Baylor agreed to leave the letter and asked the Supervisors if it was the pool board's decision and not the Township's decision and if there would be a problem if a new board took over. Mr. Gotshall asked Ms. Baylor if she had identified herself as a pool board member.

Ms. Baylor indicated that she is a member of the pool board. Mr. Gotshall suggested that Ms. Baylor leave her contact information so he can contact her. He noted that the pool board has had very active and dedicated individuals who have served the pool for many years. In its founding, the pool board has had people mortgaging their homes to build the pool, which the Township appreciates. Now, the pool board finds itself in a deep hole financially. It's struggling to find an answer, which may be his interpretation. Still, they may be tired of that fight and some of the comments made regarding them wanting to close it and walk away from it, disbanding the board or whatever. Still, he is happy to hear that Ms. Baylor is an engagement member who may be interested in discussing it with the Township. He will be reaching out to set up a meeting with her and any other engaged members.

Ms. Baylor noted that the other board members are older and that their energy and stamina for these things are not what they once were; the passion is there, but not the stamina. Upon reviewing the financial records, the pool is less than \$4,000 behind, and last year, the pool

didn't have a fireworks party, and that's \$6,000 in revenue alone. The pool board is looking at the potential repairs as a huge cost, but they don't know what that cost is right now. If the pool is operational, and they have people who want to operate it, it's a \$4,000 conversation. It's an easy conversation and fix. The Kiwanis Club and church organizations have reached out to them, offering help, and with all that interest and the little bit that is needed, something can be done.

Mr. Navarro pointed out that the Koons pool board has come to the Board of Supervisors every year since he's been on the Board, asking for grant money, and the Supervisors have always agreed and pushed for it through Dauphin County; therefore, the Board does support the organization.

Ms. Thompson added that the Township has donated some In-kind services to Koons Pool; the current and past boards have supported the pool for a long time.

Chairman and Board Members' Comments

Ms. Thompson welcomed Mr. McCormack to the Board of Supervisors and Mr. Pramik to the Authority Board.

Ms. Thompson introduced Mackenzie Cover, a Central Dauphin High School senior who applied for the Pennsylvania Association of Township Supervisors (PSATS) Scholarship. One of the requirements for the scholarship is to attend a board meeting.

Ms. Thompson announced that the supervisors met in the executive session before the board meeting, but Mr. McCormack was not present. The supervisors will meet again afterward. She also thanked the Public Works Department for coming out and salting the roads at night and plowing the roads today.

McCormack thanked the Board members and community for the opportunity to serve on the Board of Supervisors. While he may need some time to get up to speed, he promised to give his best effort to keep the Township the great community he has lived in for 30 years.

SUBJECT: RECOMMENDATION TO HIRE DEPUTY DIRECTOR OF PUBLIC WORKS AND UTILITIES
PWMM#2026-02

ENCLOSURE: (1) Resume, Eric Morgan

Topic

This memorandum serves as a joint recommendation from the Township's Directors of Public Works and Sewer regarding a conditional offer of employment to fill the position of Deputy Director of Public Works and Utilities. The creation and intent of this position were publicly discussed at the Board of Supervisors Business Meeting on February 3, 2026.

Discussion

The Deputy Director of Public Works and Utilities position was publicly advertised beginning December 9, 2025 and remains open for applications as of the date of this memorandum. The Township received a total of twenty-five (25) applications, from which five (5) candidates were selected for interview.

The interview panel consisted of representatives from Public Works, Sewer, Public Safety, and Finance. Interviews were completed by January 13, 2026. Each candidate was asked a consistent set of scripted, job-related questions. Panel members documented responses and observations in accordance with Township hiring practices. Following the interviews, the Director of Public Works reviewed the interview materials and panel feedback in advance of developing a final recommendation.

Recommendation

Based on the interview process and evaluation of qualifications, we recommend Eric Morgan for promotion to the position of Deputy Director of Public Works and Utilities.

Mr. Morgan demonstrated the knowledge, technical capability, leadership aptitude, and professional judgment necessary to succeed in this role. As a current Township employee, he has an established record of performance, familiarity with Township operations, and a proven ability to work collaboratively across departments. His experience and skill set align well with the operational and organizational objectives of the merged Public Works and Utilities structure.

SUBJECT: RECOMMENDATION TO HIRE DEPUTY DIRECTOR OF PUBLIC WORKS AND UTILITIES
