Colonial Park Fire Company

Chief Fogg reported the tower truck should be back Saturday from FDIC. They are seeking signatures on a letter of support for the new sign from various organizations. The Line of Duty Death Declaration for the two firemen which passed of Covid complications needs the Board of Supervisor's signatures.

Linglestown Fire Company

Chief Payne noted their truck is also at FDIC and what an honor it is to have two of Lower Paxton's trucks featured. He also complemented how the tractor trailer fire on I 81 was handled.

Paxtonia Fire Company

Chief Ross noted their Community Fire Prevention Day is Saturday, October 9, 10 am to 1 pm at the station.

South Central EMS

Chief Campbell noted the Delta variant should be handled with the same precautions as Covid and he anticipates we will be in masks this winter. He has a surplus of Narcan if anyone needs it.

Police Department

The police department has nothing to report.

Fire Marshal

The Fire Marshall had nothing to report. He questioned if Colonial Park removed the green running lights as they are a violation to Title 75. Chief Fogg assured him there are no green running lights on the truck.

Emergency Management Coordinator

The Dauphin County Hazardous Mitigation Plan has been completed and is under review, when completed it will be sent to the Board of Supervisors for signatures.

Good of the Order
