

## MEMO TO THE TOWNSHIP BOARD OF SUPERVISORS

### AUGUST 2023 FINANCIAL REPORTING PACKAGE

SEPTEMBER 29, 2023

ASSISTANT TOWNSHIP MANAGER/FINANCE DIRECTOR

#### Introduction

The attached represents a summarized August 2023 budget-to-actual and comparative (2022) summary report for the General Fund, as well as detailed August 2023 budget-to-actual reports for all funds of the Township. The summarized General Fund report consolidates major revenue and expenditure reporting categories, primarily by operating department, in a similar fashion to our budgetary documents. Narrative is provided to add perspective to differences of significance, chiefly supporting those differences within the current year (**currently eight of 12 months for the year, or roughly 66.67% of the year**).

#### General Fund Highlights

The General Fund is the major operating fund of the Township, chiefly accounting for all activities that are either partially or fully tax subsidized (primarily real estate and earned income). This includes all general administration and leadership, as well as Public Safety, Public Works (roads, facilities, and relating infrastructure), Community Development (zoning, planning, and code enforcement), and Parks and Recreation functions.

Overall projections for the year still trend strong, as Department Directors present budgetary workshop request including projections to close out 2023. Tax collections continue to remain strong, absent transfer taxes (though have improved in past two months), and expenditures growth continue to keep reasonable pace with monthly budget expectation, with several categories positively trending again budget. Overall, results were fairly comparable to prior year absent inflation mitigation stipends, and the Township maintains adequate reserves (reasonably in excess of our 25% expenditures policy requirement) to weather the initial months of the year. Ending General Fund cash reserves in August 2023 are just under \$11 million, with an additional \$1.8 million due from the Township Authority for various shared and administrative costs and reimbursements.

#### Other Operating/Capital Township Funds

While the General Fund maintains the majority of Township operations, chiefly those partially or fully tax subsidized, the Township also budgets for and operates four other major funds, which are presented in attached reports in detail but with less comparative information and analysis. That said, the following are summarized highlights relative to each of the respective major reporting funds:

##### Solid Waste & Recycling Collection Fund

To save residential customers \$25/quarter (roughly \$1.7 million annually!), the Township internally absorbed the billing, collection, and customer service functions of the residential solid waste and recycling contracts within the Township. August report reflects incurred costs with implementing the program, including allocated staff and related resources with the July 1<sup>st</sup> contract start date. Customer charges, including \$5 quarterly administrative charge, will offset incurred costs related to the program, with minor reserves generated for contractual increases over the agreement's duration. The General Fund is assisting

with temporary cash flow needs relative to the timing of payment on contractual costs versus collection of user fees.

#### *State Aid Fund*

The State Aid Fund accounts for funds received from the state's oil franchise tax to be used to support the construction, reconstruction, maintenance, and repair of public roads or streets, which are legally mandated to be segregated from all other operations for tracking and reporting purposes. Annual allotments from the State for roads maintenance and improvements were received in March (slightly ahead of budget), and annual state paving projects have just begun. Interest earnings continue to well exceed expectations, tied with Federal reserve continued rate increases. Another mild winter reduced exposure for winter maintenance costs, and expenses to-date focus primarily on capital investments (will hit strong in September through end of the paving season) and related financing costs. Ending State Aid Fund financial reserves in August 2023 are just over \$1.7 million.

#### *General Improvements and American Rescue Plan Act (ARPA) Funds*

While each distinctly separate, the above funds are focused on significant capital investment projects of the Township, which are funded primarily from grant, contribution, sale proceeds, and debt financing; for 2023 and forthcoming years, planned usage of significant ARPA funding and proceeds from excess land sales designated for improvements and acquisitions.

Many of the budgeted capital projects remain in evaluation and preparation, and should skew to late Q3/Q4. ARPA funds will be transferred quarterly to replenish project use for Board-approved improvements and acquisitions. Significant activity through August limited to ongoing IT initiatives continuing from late 2022, municipal center security and operations upgrades (substantial completion in August, and final security installations occurring in September), work relative to Brightbill Park new restrooms/storage facility and Brightbill Park and Forest Hills Park playground/courts projects, final expenses relative to Red Top Road bridge project (including reallocation for sewer portion of work), and Q1/Q2 reimbursements for ARPA projects authorized. Ending cumulative cash reserves in August 2023 total just over \$6.2 million, predominantly earmarked for parks/recreation projects spending over the next several years.

#### *Fire Protection Tax and Equipment (FPTE) Fund*

The Fire Protection Tax and Equipment Fund accounts for the dedicated tax millage towards supporting the local volunteer fire companies as well as operating and capital costs for maintenance of infrastructure and assets of public safety services for fire response, prevention, and suppression, as well as funding the Township's Deputy Fire Chief position. Operating and capital reserve activities of the fund are segregated within the budget.

Two quarters of volunteer allotments and full costing for Deputy Fire Chief were complete for costs through June, and quarterly hydrant billings and semi-annual debt service make up for other significant expenditure sources. Annual transfer to capital reserves (\$305,410) was made in Q2. Unbudgeted expenses include office and operating equipment and supplies for the Deputy Fire Chief, repair assistance to a volunteer fire company for an apparatus piece, and final payments on the fire study performed (budgeted and underspent in 2022). Ending FPTE Fund financial reserves in August 2023 are \$1.5 million for operations and \$1.7 million for capital (no immediate capital acquisitions are budgeted in the plan).
