

## MEMO TO THE TOWNSHIP BOARD OF SUPERVISORS

## APRIL 2024 FINANCIAL REPORTING PACKAGE

JUNE 7, 2024

ASSISTANT TOWNSHIP MANAGER/FINANCE DIRECTOR

### **Introduction**

The attached represents a summarized April 2024 budget-to-actual and comparative (2023) summary report for the General Fund, as well as detailed April 2024 budget-to-actual reports for all funds of the Township. The summarized General Fund report consolidates major revenue and expenditure reporting categories, primarily by operating department, in a similar fashion to our budgetary documents. Narrative is provided to add perspective differences of significance, chiefly supporting those differences within the current year (currently four of 12 months for the year, or roughly 33.3% of the year).

### **General Fund Highlights**

The General Fund is the major operating fund of the Township, chiefly accounting for all activities that are either partially or fully tax subsidized (primarily real estate and earned income). This includes all general administration and leadership, as well as Public Safety, Public Works (roads, facilities, and relating infrastructure), Community Development (zoning, planning, and code enforcement), and Parks and Recreation functions.

April marks the bulk (over 90% of budget) of real estate taxes received during the discount period, which helps significant reserves increases (and relating interest earnings) meet the regular expenditure demands for payroll/related benefits, debt payments, and summer operational programs for the Township. Overall, similar to past months, absent the impacts of the 2023 inflation-mitigation stipends issued to full-time staff, results were reasonably comparable (though more positive) to April 2023, and the Township maintains adequate reserves (soundly in excess of our 25% expenditures policy requirement) for ongoing operations and late 2024/early 2025 financial needs until the next cycle of taxes begin to be received.

Ending General Fund cash reserves in April 2024 are over \$13.5 million (a nearly \$3 million increase from prior month, as most taxpayers submit their real estate tax payments before the discount period lapsed in April), and just under \$49,000 due from the Authority for minor cost reimbursements.

### **Other Operating/Capital Township Funds**

While the General Fund maintains the majority of Township operations, chiefly those tied to activities and initiatives that are partially or fully tax subsidized, the Township also budgets for and operates four other major funds, which are presented in attached reports in detail but with less comparative information and analysis. That said, the following are summarized highlights relative to each of the respective other major reporting funds:

#### **Solid Waste & Recycling Collection Fund**

To save residential customers \$25/quarter (roughly \$1.7 million annually!), the Township internally absorbed the billing, collection, and customer service functions of the residential solid waste and recycling contracts within the Township in mid-2023. Customer charges, including a \$5 quarterly administrative charge, offset incurred costs related to the program, with minor reserves generated for contractual increases over the agreement's duration. Billings are generated quarterly in arrears for the prior calendar quarter, and the

attached report reflects cash receipts (*excludes unpaid, delinquent charges*) and most expenditures are delayed to month following (hauler fees) or assessed quarterly (wages/related tax and benefits). The General Fund is assisting with temporary cash flow needs relative to the timing of payment on contractual costs (due monthly since contract inception) versus collection of user fees (three-month lag for billing, then managing collections/delinquents), roughly \$2.1 million through April 2024 with just over \$1.2 million in Authority collections due to the Township, satisfied in the following month.

#### *State Aid Fund*

The State Aid Fund accounts for resources received from the state's oil franchise tax to be used to support the construction, reconstruction, maintenance, and repair of public roads or streets, which are legally mandated to be segregated from all other operations for tracking and reporting purposes. Annual allotments from the State for roads maintenance and improvements were received in March (below budget, but strong interest earnings should help offset the difference), and annual state paving projects typically push to late Q3/early Q4. Unfortunately, Mother Nature (quiet for the last several years) reminded us what winter is, and several storm events spiked the need for road salt and anti-skid to service over 250 linear miles of roadway; assuming restock in preparation for the 2025 season, those supplies most assured will exceed budget. Ending State Aid Fund financial reserves in April 2024 are just over \$2 million, providing ability to more than cover the excess salt/anti-skid projected needs for 2024.

#### *General Improvements and American Rescue Plan Act (ARPA) Funds*

While distinctly separate, the above funds are focused on significant capital investment projects of the Township, which are funded primarily from grant, contribution, sale proceeds, and debt financing; for 2024 and forthcoming years, the ARPA Fund accounts for the transfer of ARPA funding and proceeds from excess land sales designated for improvements and acquisitions to the General Improvements Fund.

Virtually all budgeted projects skew to mid/later 2024 and many remain in pre-construction general planning (particularly transportation projects; Brightbill park work was significant towards early summer completion) and will for the majority of the year – some spending (IT and Municipal Center Improvements) are carry-over costs from projects budgeted and expected complete for 2023 shifting to 2024 for final completion. Several larger fee-in-lieu contributions were received, invested for future new investments in existing parks or new park establishment. Ending cumulative cash reserves in April 2024 total just over \$5.3 million, predominantly earmarked for parks/recreation and transportation projects spending over the next several years (*2024 budget anticipates use of \$1.9 million*).

#### *Fire Protection Tax and Equipment Fund*

The Fire Protection Tax and Equipment (FPTE) Fund accounts for the dedicated tax millage towards supporting the local volunteer fire companies as well as operating and capital costs for maintenance of infrastructure and assets of public safety services for fire response, prevention, and suppression, as well as funding the Township's Deputy Fire Chief position. Operating and capital reserve activities of the fund are segregated within the budget.

As noted in the General Fund, April spikes revenues relative to discount-period real estate tax payments, driving up reserves here following Q1. Many expenditures are delayed to month following (hydrant fees) or assessed quarterly (wage-related benefits and taxes/volunteer stipend and allotment disbursement); capital reserve funding transfer occurred in March based on discount-period taxes received and debt payments in April. Ending FPTE Fund financial reserves in April 2024 are just over \$2 million for operations and slightly over \$2 million for capital (three replacement apparatus, with extended construction timelines [three years estimate], are now being positioned for Board approval for June current expenditures limited to upfit costs for Deputy Fire Chief vehicle transfer, due to police unit totaled in Q1).
