# Park Improvements

*The Lamplight playground was added in 2022, and this year a new trail that connects the park to George Park has been completed. Two new ADA accessible features include a rotating grill and a path to the pavilion. Our next step is to create a vegetated swale which collects and slows stormwater runoff. Lamplight is considered a neighborhood park.*

**Stay Tuned for updates at  
Forest Hills, Brightbill Park and Lingle Park.**
