The idea for a senior center began over 20 years ago with a dream of Frank Cousart and the formation of the Harrisburg East Senior Action Committee. With the cooperation of Dauphin County Department of Aging, Lower Paxton Township Supervisors and the citizens of the township, the dream became reality. Members of several senior groups formed the original members of the Friendship Senior Center.

The Friendship Senior Center is located in the East Annex (senior center) of the current Friendship YMCA. The senior center is compliant with the Pennsylvania Department of Aging guidelines and standards and as a 501 (c) 3 organization. We are a Dauphin County Senior Center but, our membership is not limited to residents of Dauphin County.

The purpose of the center is for the education and enlightenment of persons age 55 and over. The variety of our activities and programs are designed to assist seniors to improve socially, physically and mentally. We offer aerobics, Tai-Chi, Scrabble, Bingo, Art and language classes and various card playing groups. We have a group of knitters and crocheters that make and donate items to various charities. We have a congenial and cooperative relationship with the YMCA which has allowed enhancement of activities.

Our center is open Monday-Friday, 8:30 AM until 3:00 PM. We are an **all-volunteer** organization, with officers elected by the general membership to serve two-year terms. We welcome and encourage the help of volunteers in the running and maintaining the operations of the center. We are financially supported by yearly (currently \$20.00) memberships and donations.

You can find additional history of our center at the Senior Center desk in the ‘White Book’

You can find our information on the Lower Paxton Township web site and issues of our newsletters.

We are a FRIENDLY and ACTIVE place that welcomes all seniors!
